DESCRIPTION OF X-442

X-442 from 1998 offers a well-balanced combination of sailing performance and comfort. With its carefully designed hull and high-quality materials, this boat is an excellent choice for both long-distance sailors and those looking for a comfortable boat for shorter excursions. It is equipped with a Yanmar 4JH3E engine, providing stable and reliable operation.

The boat measures 13.5 meters in length and is designed to deliver the highest level of comfort and functionality. The hull is precisely built, offering strong performance on the water. It features four winches, providing flexibility in sailing and allowing for different crew sizes on board. The deck layout is practical, allowing easy access to the rigging and sail handling. The boat is also equipped with electric primary winches, which significantly ease cruising.

The interior of the X-442 is well thought-out and offers plenty of space for both storage and living. There is a spacious saloon ideal for relaxation and socializing, as well as a fully equipped galley that makes cooking during longer trips convenient. The galley is located on the starboard side of the saloon, directly opposite the dining area—an excellent layout for social interaction below deck. The boat is also equipped with a toilet and shower both forward and aft, adding to the comfort on extended voyages.
