DESCRIPTION OF DEHLER 29

This Dehler 29 is a fast and well-built sailer from Dehler. This model is from 2015 and built with the elegance and quality that Dehler has offered and offers until this day.

Not only does the boat have great sailing qualities as you would expect from a Dehler boat, but also a very smart interior with a spacious aft cabin for its size and a nice bathroom. The galley and saloon are in good working order, resulting in a 29-footer with everything you need.

A fine 29-footer with features that only much larger boats can offer, possibly with more liveliness and fun.

This boat has a white hull, being sold by her first owner, and always been well cared for. Updated sailing wardrobe, B&G instruments, and big engine make her have that little something extra. A lovely sailer with great comfort.
