DESCRIPTION OF FOUR WINNS 318 VISTA

With the Twin 270-hp Volvo Penta 5.7 Gi DuoProp stern drives with low engine hours (420h), the 318 Vista jumped quickly onto plane, and provides plenty of midrange to boost further. The low sound levels in this boat is one of its strong point with a very good acoustic insulation. The bilge and engine areas are well accessible with service in mind.

If performance is one of the main card the Four Winns is playing, his very nice cabin with warm wood, large leather salon sofa bed and bow cabin is very inviting too. The galley display a fiberglass counter and a white perimeter and polished insert look great together.

The forward large master berth has easy access and is complemented by deep drawer stowage around and under the berth. When time comes, a dining table top and its pedestal can be set up. There is as well a wide aft berth and stowage for guests.

To access the interior, 2 strong sliding doors, one in acrylic sliding door and a second with screened inserts. You can lock the screened door, which will allow in the air but keep out unwanted bugs.

The second owner has the boat since 2021 and has keep the boat in good condition and maintenance according to specifications has been secured by Yacht Care Öresund in Landskrona.
