DESCRIPTION OF HALLBERG-RASSY 342

Extremely well maintained by two of the best servicemen on the Swedish Westcoast, loads of equipment.

One owner, all documentation available, VAT etc.

Read the two Equipment lists, and you will find a very well equipped boat,

Hallberg-Rassy 342 offers a little more of everything and at the same time she makes use of all the values that made the predecessor Hallberg-Rassy 34 such a success. 15 years earlier, the then slightly revolutionary Hallberg-Rassy 34 was launched. Never before had so much sailing pleasure been built into such a comfortable and elegant boat. It became one of the yard's biggest bestsellers with over 500 boats sold. The 342 is a completely new construction compared to the 34. Keywords such as sailing pleasure, timeless elegance, high comfort, fine joinery and easy handling apply to both models. The Hallberg-Rassy 342 immediately proved to be a great sales success. 329 units were built between 2005 and 2018.

Designer Germán Frers
