DESCRIPTION OF JEANNEAU SUN ODYSSEY 35

Jeanneau Sun Odyssey 35 (2003)
Now you have the perfect opportunity to buy a classic sailing boat - Jeanneau Sun Odyssey 35 from 2003. The Jeanneau model is well known, not least for its good sailing characteristics and spacious interior. The boat is ideal for both short and longer sailing trips.
This boat offers a good balance between comfort and performance. With a spacious cockpit, comfortable saloon and several berths, it is great for both sailing with the family and sailing with friends. The boat is designed to be manoeuvrable and stable, making it suitable for both experienced sailors and beginners.
This is an excellent opportunity for those looking for a sailing boat with potential at an attractive price. Contact us for more information or to book a viewing.

The engine is serviced personally every year, that is, oils and impeller and other standard works 'r performed as recommended, the owner has performed these himself. Heat exchanger examined by professionals in 2023, (Ab Sea Mac Oy), nothing wrong with it. The running hours are according to the meter 00753.
The standing rigging of the boat is original, okay condition. The owner will change the top swivel on the furling genoa before the handover, as it jams.
The boat's running rigging works, but probably needs to be updated eventually if you e.g. want to race the boat.
The interior is in good condition, the cushions are good.
The following sails are included:
1. Genoa: Quantum sails, max 10 years old. Probably purchased by the previous owner at the same time as the mainsail. Quite okay in condition, better than the mainsail
2. Mainsail Delta Voiler: looks to be bought in France in 2017 by the previous owner. 2 reefing eyes. Okay condition. Found purchase invoice from 2017
3. Spinnaker, probably original, looks to be patched a couple of times, works but hardly good condition.
Other:
Solar panels, bimini, new sprayhood, stand for solar panels fixed in 2016 by company in Greece
4 utility batteries and a starter battery, acquired in 2021 or 2022.
