DESCRIPTION OF DEHLER 35 CR

After the last 15 years very well maintained, loved by her owners and sailing across Scandinavia, this very nice Dehler 35 CR is ready for her next adventure with a new owner.

This Dehler 35 Cruising was designed by Van der Stadt as a fast pacing sailing cruiser and she proved to be a very good sailor with her 7/8 rig, easy to steer with all lines running centrally to the cockpit. The 2 genoa winches are both electrically operated, making trimming very easy. The interior is nice and spacious with the galley on the port side, with plenty of storage space. On the starboard side is the chart table and the bathroom. The salon has 2 sofas offering when needed very comfortable berths. On the aft and front there are 2 spacious double cabins.

A very nice all rounder boat to cruise with family and friends.
