DESCRIPTION OF BAVARIA 28 SPORT

Very well-maintained, fully equipped, and upgraded cruising boat with numerous extras. The boat has exceptionally low engine hours – only 302h.

A major maintenance package was completed in winter 2022, with the engine and sterndrive maintenance, including the replacement of bellows and the gimbal bearing, performed in 2023. All maintenance is current and up to date.

Key Upgrades:
New Zipwake trim system (2021): A fully automated, highly efficient system (More Info).
New Bluetooth Lithium batteries (2021): 3x 128AH "fun batteries," 1x engine battery, and 1x bow thruster battery.
180W Solar panel (2021): Portable connection with MPPS charging controller for efficient energy management.
Front extension with stairs (2021) for easy access.
New toilet pump (2022): Including a joker valve replacement.
New water pump (2022) for fresh water supply.
New external shower (2021) for added convenience.
Complete fender package (2021/2022): Includes 8 fenders with covers and 1 round fender.
Remote-controlled Webasto heating system with air circulation for year-round comfort.
New 12V smart TV with Google Chrome functionality for onboard entertainment.
4G Wifi router (2021) ensuring reliable internet access.
New canvas in anthracite (2023): Stylish and practical (as seen in the first picture).
Garmin GPS with Wifi and touchscreen plotter for seamless navigation.
Additional Features:
The boat is outfitted with all the essential amenities, including:

Bow thruster for easy docking.
Two refrigerators for ample food and drink storage.
Sun lounge platform with storage space.
Anchor system for secure mooring.
