DESCRIPTION OF LM 28 IIS

LM 28 II S 1986

This LM 28 has had the same owner for all the years. The boat is well maintained and is ready for many trips in Danish waters.

The LM 28 is a very stable boat, with a large and deep cockpit. An LM 28 is easy to sail for the new sailing family who would quickly learn to handle the boat.

The boat is spacious with a forward cabin with two berths, saloon with the possibility of an additional 2 sleeping places. There is a separate toilet and wardrobe and good stowage space under the bunks. On the port side there is a galley with a sink and 2 gas burners. There is a refrigerator with a compressor under the wheelhouse.

In the cockpit there are 2 longitudinal benches as well as a fixed cockpit table that can be opened in 2 lengths. Under the door there is storage space for fenders.

The boat has a furling foresail and a mainsail. The engine is a Bukh DV20 with 20 Hp.

Harbor space in Korsør, as well as a winter rack can be included in the deal.

The boat is undergoing spring preparation. Several surfaces are sanded and varnished. The boat is delivered launched and ready to sail.
