DESCRIPTION OF X-YACHT X-40

X-40 is an extremely smooth-sailing yacht from the world-renowned X-Yachts in Haderslev Denmark

.
This X-40 has undergone a number of updates in preparation for a trip across the Atlantic. However, the trip was abandoned by the previous owner.

Under the current ownership, further improvements have been made.

The boat thus contains everything needed to bring the family together on holidays and on weekend trips for relaxing sailing, and for racing if that is the goal.

There are newer sails including mainsail from 2021 as well as genoa, Code 0 and jib.

Engine is a Yanmar from 2020, and a retractable bow thruster from 2021.

There is full Raymarine instrumentation with a plotter at the steering wheel and at the chart table. VHF with two stations and AIS are also available.

The boat is equipped with 2 cabins with 2 berths each. Up to two more can be accommodated in the salon. In the galley there are two sinks with cold and hot water, as well as a stove with 2 gas burners and an oven.

There are 2 bathrooms with toilet and shower, as well as a diesel heater for cold evenings.

The boat is thus ready for many more adventures on the 7 seas.
