DESCRIPTION OF HALLBERG-RASSY 342

Here is the translation of the text from Swedish to English:

"VAT paid by the first owner. Customs certificate available.
555 engine hours, only used in the Baltic Sea.
Inspection was done before haul-out.

The Hallberg-Rassy 342 is the successor to the successful 34 model. In terms of sailing, the HR342 is stable, easy to handle, and offers plenty of joy under sail. The boat is excellent for both archipelago sailing and the open sea. The design is classic and timeless. The lines are well-shaped, and the proportions are perfect, making the HR342 a beautiful boat. This model was built in over 500 examples.

The interior features two separate cabins, one in the bow and one in the stern. In between is a salon with two sofas and a foldable table in the middle. Furthermore, there is an L-shaped galley with double sinks, and opposite that, a navigation table. The bathroom, located just aft of the navigation table, is bright and spacious.

This example is now being sold by its third owner, who has taken exemplary care of the boat. The condition is as expected, and the level of equipment is high. See the PDF file above for the complete equipment list. Also, see Hallberg-Rassy's own presentation:
