DESCRIPTION OF REGINA AF VINDÖ 43

Regina by Vindö 43 2004

One of Sweden's finest boats is now for sale at Bådagent Denmark.

Regina af Vindö is a boat built according to the best craftsmanship traditions and is considered one of the best Swedish boat builders in Orust can produce.

This Regina is being sold by its second owner and has only been used to a limited extent, which is evident, among other things, from a very low number of engine hours of just 385 hours!

The first owner, who was from Germany, bought the boat with the aim of sailing the boat across the Atlantic, which is why air conditioning has been installed in the aft cabin. A watermaker has also been installed, the function of which has not yet been verified. In addition, there is a Mastervolt generator. However, the German owner abandoned the trip and sold the boat on to its current owner. In the past several years, the boat has only sailed very limited.

This Regina is furnished with 2 cabins with double berths and each has its own toilet/bath. Midships, there is a large sofa arrangement with a view of the sea and harbour, as well as a navigation platform from which the boat can also be steered. A few steps down there is a large galley with 2 refrigerators and its own dining area.

The boat has just arrived in Faaborg where it is now being prepared.

The boat is equipped with all the comfort you can expect from a boat of this quality and size. Including, among other things:

Yanmar 4JH3-TE 88 Hp. 385 hours

Raymarine navigation

Bow thruster

Air conditioning

Watermaker (function not verified)

Generator 85 hours

Davits

Fore and aft electric anchor

This Regina is arranged with 2 cabins with double berths and each with its own toilet/shower. Amidships, there is a large sofa arrangement with a view of the sea and harbour, as well as a navigation station from which the boat can also be steered. A few steps down there is a large galley with its own dining area.

The boat has just arrived in Faaborg where it is now being prepared for sale.
