DESCRIPTION OF BIANCA 420

The Danish boatyard Bianca is known for its well-executed boatbuilding craftsmanship and is appreciated by many sailors across Europe.

The boat is now sold after 5 years of family sailing and was previously owned by a danish owner. The boat comes with a new main sail (2022) with lazy jack and a Genoa on furler; there is a large cockpit with 8 winches from 2 x 56'ers and downwards making single handling sailing easy. There is a new Raymarine Axiom plotter as well as a new battery set (2022)

The whole deck offers a very convenient grip, easy to maintain, there is teak deck only in the cockpit which could get a few hours of light refit to give it its shine back.

Under deck, the boat is offering a very large space for a 42 footer, with three cabins, each with 2 berths. There are two toilets, both with showers.

The boat's salon is large and accommodates two sofas and a very large table that can be folded up on both sides, a galley and a traditional chart table.

A very interesting opportunity to acquire this sturdy, high quality boat at a reasonable price.
