## DESCRIPTION OF YAMARIN 76 DC

This 2011 boat is exceptionally well-maintained and well-equipped. It also comes with a 250 hp Yamaha engine from 2019, featuring low engine hours and a solid service history.

One swedish news site (Dagens PS) named the Yamarin 76 DC the “Best second-hand Daycruiser” among 15 tested boat models. The site Skipperi praised its “quality, power, and comfort in a pleasant design for demanding boaters.”
The list of accolades could go on. Little more needs to be said. Unbeatable.

Plenty of space in the cleverly designed cockpit for delightful summer evenings with family and friends. Two good berths in the forepeak and 1–2 additional under the cockpit—perfect for a small family. All the comfort you need for week-end tours.
