DESCRIPTION OF PRINCESS V42

The Princess V42 is a well-known motorboat from 2002 that combines style and performance. With a length of 13.56 meters and twin Volvo Penta KAD300 engines, this boat offers a balanced driving experience and excellent seakeeping abilities. The Princess V42 has been one of the yard's most popular models, renowned for its comfort and functionality.

Interior:

Inside, the Princess V42 offers a spacious and thoughtfully designed layout. The salon is bright and inviting, with comfortable seating and a well-equipped galley that makes it easy to cook and entertain guests. The boat features two cabins, providing ample sleeping space for family or friends, making it ideal for both short and extended trips. The bathroom is also well-equipped, offering a practical solution for onboard living.

Exterior:

Externally, the Princess V42 is designed to be both functional and visually appealing. The stable hull ensures safety in all weather conditions, and the generous deck space allows for easy movement on board. The boat is equipped with both bow and stern thrusters, making docking much easier. The spacious swim platform provides plenty of room for a jet ski or water scooter. Over the years, the boat has been considered well-updated in terms of electronics, engines, and drives.
