DESCRIPTION OF DEHLER 34 DD

VAT receipt available!

The Dehler 34 DD is a well-designed, performance-oriented sailboat that offers an excellent balance between comfort and sailing capabilities. With a length of 10.21 meters and a 27 HP Volvo D1-30 engine, this boat is perfect for both short and extended cruises.

Inside, the Dehler 34 DD is spacious and practical, featuring a well-planned layout that maximizes space. The saloon is bright and airy, creating an inviting atmosphere for social gatherings. The boat is equipped with updated electronics from Raymarine, offering a modern navigation experience. The galley and head are functionally designed, providing ample space for comfort during longer trips.

On the exterior, the Dehler 34 DD is built for stable and fast sailing. The hull is designed to minimize resistance and maximize performance, making it an excellent choice for the enthusiastic sailor. The sail inventory is large and versatile, including two mainsails (one in carbon), a self-tacking jib with a new track, a genoa 2, a code 0, and a furling gennaker—allowing for great variation in sailing across different conditions. The deck layout is ergonomically designed to make work on board easier, with all necessary controls well-positioned.
