DESCRIPTION OF ELAN 43

If you want a large and well-equipped 43-foot sailboat, this Elan is an obvious option.

The boat is equipped with a fairly large cockpit and a really good bathing platform. From the cockpit there is access to a large salon with galley and navigation table. There is a sofa arrangement with space for 8-9 guests.

From the salon there is access to 4 cabins with a total of 9 berths. There are two toilets, one forward and one amidships.

There is good stowage space everywhere.

The boat has not been used in the last 2 years and therefore needs to be upgraded and prepared. The teak deck can probably be renovated. Alternatively, the teak deck must be removed and the deck filled and painted. The bottom must be sanded to the bottom and primed/painted.
