DESCRIPTION OF NAJAD 360

Designed by Thorwald Karlsson, to offer long-distance sailors a safe boat with a central cockpit and windshield in line with Orust's boatbuilding tradition. The boat is easy to manover and offer reassuring safety while sailing with kids.The Mahogany woodwork is of the highest class, in line with the well-known Najad craftmanship.

Below deck you will find the classic interior with a lovely private cabin aft. A generous galley on the port side, suitable for both navigation and port. Living room with a high comfort factor and good seating comfort. At the front there is a large double cabin too. To starboard below the steps, a centrally located toilet. The boat is easy to maneuver on the lower and upper decks, even when sailing. All spaces below deck are well utilized and the boat has many smart storage solutions.

The boat is known as a safe and reliable across the globe, a timeless reference we will endlessly be seing on the seven seas.
