DESCRIPTION OF BENETEAU OCEANIS 411 CELEBRATION

The Celebration is a performance-enhanced model featuring a taller rig, deeper draft, and a Volvo Penta D2-55hp engine.
Designed for extended periods at sea without compromising on comfort, it offers two aft cabins and a master cabin with a private forward head, comfortably accommodating six people.
The galley, saloon seating, and spacious cockpit are all thoughtfully arranged to ensure everyone feels at home on board.

Since 2014, this vessel has undergone numerous upgrades, including new sails, a modern chartplotter, davits for a Zodiac RIB, and a stern windlass. While the teak deck would benefit from cleaning, no other issues are known. The boat is launched and available for viewing in Fiskebäckskil.
