DESCRIPTION OF BAVARIA 36

A very well updated and in very good condition Bavaria 36, two-cabin version is being sold by the third owner. An optimal boat for family and friends who dream of wonderful holidays at sea!
The Bavaria 36 is a well-thought-out family boat with a high level of comfort thanks to spacious spaces both above and below deck. The layout is classic with a fore cabin, the salon with longitudinal sofas, L-shaped galley, aft cabin directly aft of the galley and a toilet directly starboard of the ramp. Between the toilet and the salon, space has been made for a navigation table. The cockpit is large enough to accommodate the whole family and behind the steering wheel there is good access to the water via the bathing platform.
Equipped with a cockpit canopy, it gives this boat extra outdoor space. With its furling mast and furling genoa, this is an easy-to-handle boat on the move. With its installed bow thruster, you can easily maneuver the boat in tight harbors. The boat has the dark stained interior that most Bavaria boats have, the boat has good light from both side windows and roof vents.

In addition, the boat has been continuously updated by its owner. Both mainsail and genoa from Boding and Gransegel 2023, all Raymarine instruments 2023, folding Lewmar steering wheel, sprayhood 2024 and replaced bellows 2020 mean that the biggest costs for this boat have been covered. A must see before your next purchase.
