DESCRIPTION OF HALLBERG-RASSY 312

Hallberg Rassy 312 with 690 boats sold speaks for itself. A boat model that is seen all over the world and is still just as popular today among quality-conscious sailors. A true Orust craftsmanship through and through.

This boat has been well maintained, with a teak deck in good condition, a new furling jib in 2018. After spending her summers in the water, the boat has systematically been winterised and covered on land from October to May every year.
