## DESCRIPTION OF NAJAD 343

---

The famous Najad 343 is a very safe and reliable center-cockpit boat offering a spacious aft deck and two large cabins, especially the main aft cabin.

The keel has a reasonable draft for sailing through canals and reaching natural harbors in shallower waters.

This Najad 343 was first owned by German and Swedish owners and is now being sold by its third owner; she has sailed very little in the last 5 years. The boat has received many updates in the last 10 years: new engine (2013), new gearbox (2023), teak deck renovation (2016), new electronics (2019/2024), new mainsail (2021), new cockpit canopy (2021), new stern anchor (2023), new starter batteries (2025) and much more. The interior floor has been professionally re varnished, revealing and refreshing Najad's high quality standards and superb craftsmanship more than ever.

This boat has been stored indoors over the winter and has been well taken care of by its owner. Now she is ready to take over and sail away. Time to embark on the Najad experience!
