DESCRIPTION OF COMFORTINA 35

The spacious cockpit has room for the entire crew, both under sail and at a party in the harbor. An interior that meets high standards of craftsmanship and utilization of all the boat's spaces below deck.

Below deck you will find a classic interior in matt lacquered teak. A well-equipped L-shaped galley on the port side that has plenty of storage, a large refrigerator, stove with oven and of course double burners. Entrance to the aft cabin just behind the galley. Here there is a nice double bed and good storage with wardrobe and shelf. On the starboard side there is a navigation table and entrance to a large toilet with good storage and a wardrobe for sea clothes (not so common in all boats). Central to the boat is the inviting and bright salon with two nice sofas with high seating comfort and a large table.

Owned since 2015, the boat has been carefully cared for and very well maintained. Over winter the boat is being stored in a hall. The boat is delivered equipped and ready for summer sailing by arrangement.
