DESCRIPTION OF DELPHIA 29

The Delphia 29 is a compact sailboat known for its surprising interior space, including 1,90m headroom and a functional layout with a good galley and sleeping accommodation for up to six people. It offers stable and safe sailing even in higher seas and handles well for a boat of its size. Under sail, she's quick to accelerate and very responsive. The interior is well designed with a good galley, a well-equipped saloon with a folding table and comfortable sleeping cabins. Being sold by the second owner, she has been regularly updated and well maintained with new navigation instruments and batteries (2021), new cushions (2023), sails in great condition (2017/2019), see further in the equipment list.

The boat has CE marking Category B Offshore and is ideal for both offshore sailing and more coastal waters, as well as for passage in canals.
She is a well-equipped mini cruiser suitable for families and coastal exploration at an affordable price.
