Location: South East Cost of Jutland

Price: 895 000 DKK. (1 322 707 SEK/119 906 €/512 134 PLN)

Dufour Yachts is known as the French high end sailboat yard, where the focus is on quality, spaciousness and good stable sailing performance. The 385 Grand Large is no exception. The boat was designed by Umberto Felci who gave the Dufour brand a more modern look, with the 385 Grand Large being the frontrunner for this design when it was introduced in 2005. A boat that just created enthusiasm among the boat magazines for its innovative design combined with modern lines, spaciousness and good sailing performance. All made in good quality.

DESCRIPTION OF DUFOUR 385 GRAND LARGE

Note! This boat was built in 2007 but was sold to its first and only owner in 2015, and was launched for the first time in 2016.

Here is offered a one owner copy of the popular boat, which has only been sailed by the owner couple throughout the years, and which has typically only sailed 3 weeks summer holidays as well as weekend trips in Denmark each year. The boat has only sailed in Scandinavia.

The boat is a 3-cabin version with 1 toilet aft. As to the 1 head lay-out the boat has a more spacious master cabin and with a larger cabin. A spacious salon with a large pantry longship on the port side. All in all, a spacious boat with a clever layout where the accommodation is done in cherry veneer.

The cockpit of the boat is spacious and thanks to the 2 steering wheels and the stationary cockpit table, it contributes to a comfortable stay.

A boat with an emphasis on great sailing pleasure and simple handling ready for new adventures. The boat can be inspected in the water until the end of October by then the boat will be on land during the winter.
