DESCRIPTION OF BAVARIA 37 CRUISER BLUE EDITION

The Bavaria 37 Cruiser is a spacious and well-equipped boat. The boat is in good and updated condition. This boat is a "Blue Edition" equipment version and compared to the current owner's investments, the boat is very well equipped, ready for new adventures.
The Bavaria 37 Cruiser has been developed in collaboration between the renowned Bruce Farr Yacht Design and Bavaria Yachtbau. A collaboration that has resulted in a harmonious and modern design and a well-performing and at the same time very spacious 37-foot cruising boat with many rethought details below deck that make optimal use of the boat's hull volume. with a 3-cabin layout that allows 6 people to stay comfortably onboard.
The boat's interior layout is a 3-cabin version with a large enclosed aft cabin with a double berth aft to starboard and on the port side. Toilet and shower aft to port. Spacious saloon with sofas and large coffee table and efficient L-shaped pantry with gas stove/oven and large refrigerator. In the bow a spacious enclosed cabin with a double berth. Throughout below deck, the boat is also optimally utilized in terms of storage space.
Combined with a large cockpit with 2 steering wheels and permanent cockpit table, the boat invites you to stay longer for up to 6 people + this boat has an option to adapt the salon to a double bed.
The boat is easy to handle under sail thanks to the in-mast furling mainsail and furling genoa. Motor navigation and port maneuvers are supported by the powerful diesel engine and the efficient bow thruster.
This Bavaria 37 Cruiser is well-equipped, and a great deal of money has been invested in upgrades and equipment in recent years. See also the detailed equipment list attached to this ad. Please note that the boat was launched for the first time in 2019.
The boat is in Denmark and is ready for quick handover to new owners. Contact the responsible broker Lars Legarth for further information and for an appointment to see the boat.
