DESCRIPTION OF SEALINE F34

Sealine F34

The Sealine F34 remains one of the most popular flybridge cruisers in its class — and for good reason. This beautifully designed 2005 model blends comfort, performance, and practicality, making it an excellent choice for couples and families alike.

Powered by twin Volvo Penta D4-260 diesel engines (260 hp each), the boat delivers smooth and efficient cruising. Handling and docking are easy thanks to the bow thruster and trim tabs.

Step aboard via the swim platform and enjoy Sealine's clever Extending Cockpit System (SECS), which creates additional entertaining space when anchored or in the marina. The patio doors open into a bright and sociable saloon featuring comfortable seating, a dining table and TV.

The well-equipped galley includes:

Twin gas hob

Oven

Two refrigerators (including a new large 85 L fridge)

Accommodation

The boat offers comfortable accommodation with:

Two private cabins

A well-appointed bathroom compartment

The WC is equipped with an electric Jabsco toilet and a 130 L holding tank with both deck suction and sea discharge. There is also a bidet shower in the WC and on the swim platform.

Flybridge

The flybridge is a highlight of the F34, featuring a reversible helm seat and a sunpad — perfect for enjoying panoramic views while cruising or relaxing in the sun.

Performance

Cruising speed: 23–24 knots at 2600 rpm

Top speed: approx. 38 knots

Equipment Highlights

Electric anchor windlass

Searchlight

Battery charger and shore power

Hot water system and water tank gauge

Bow thruster

Raymarine GPS/Plotter

Raymarine sonar and autopilot

VHF radio

Interphase forward-looking sonar

Diesel heater Eberspächer 4 kW

Tanks

Diesel: 2 × 322 L

Fresh water: 280 L

Holding tank: 130 L

This Sealine F34 presents an excellent opportunity to own a stylish and well-built British flybridge cruiser with a practical layout and great specification.

The boat was delivered new to Finland, meaning the sterndrives and engines have not been exposed to saltwater conditions.
