## DESCRIPTION OF YAMARIN 88 DC

---

Now available: the flagship of the Yamarin range with exceptionally low engine hours (59h).

This almost nine-meter, 350-horsepower day cruiser offers both sporty performance and generous space for the whole family.

The boat features two spacious sleeping cabins and a remarkably large, comfortable cockpit that seats up to 12 people. The cockpit can also be converted into a very large sunbed. The equipment includes a refrigerator with a freezer compartment, a gas stove, and an electric flush toilet.

This specific boat is also equipped with a water ski arch and a liferaft.

Here is your chance to acquire a practically newly broken-in, gorgeous sporty day cruiser that has been stored in a warm hall and regularly maintained.

During the winter season, the boat is available for viewing in a warm storage hall in East Helsinki.

Please do not hesitate to get in touch if you would like more information or wish to come and see the boat in person.
