DESCRIPTION OF AQUADOR

Discover the perfection of the Aquador 35 C, an impressive motorboat that combines style, performance, and convenience in an exceptional way. This elegantly designed boat offers top-notch craftsmanship and is built to provide you with an unparalleled boating experience.

The Aquador 35 C is equipped with a powerful Volvo Penta D6 engine, delivering 400 horsepower to swiftly and smoothly glide over the water. With its stable hull and well-balanced characteristics, it offers a smooth and comfortable ride regardless of sea conditions. Additionally, it features modern instruments, automatic Zip-Wakes, and bow thrusters, providing you with complete control and peace of mind during your sea adventures.

The spacious and well-designed interior offers a stylish salon with generous natural light and a comfortable seating area. The fully equipped galley has everything you need to prepare delicious meals on board, and the two large cabins provide a relaxing and serene environment after a day on the water.

Don't miss the opportunity to own this fantastic Aquador 35 C. Contact us today to schedule a viewing and experience the superior quality and comfort that this boat has to offer.
