## DESCRIPTION OF AQUADOR 28C

---

The Aquador 28 C is a pleasant all-round boat, perfect for both shorter and longer trips. It is appreciated by many as a true all-weather boat.

The saloon offers plenty of natural light, providing excellent visibility while underway. With opening doors in the aft bulkhead and a very comfortable and social area is created. Convenient side doors in cockpit helps when docking. Ingenious aft cabin!

The boat is equipped with a Volvo Penta D6 (310 hp), delivering good fuel economy and reliable performance. The engine has only 875 hours, and the sterndrive is from 2013. Since the drive replacement, the boat has been run for approximately 200 hours. Almost unused water heater from 2024.

The boat has been inspected annually.

This particular boat was built in 2004 and has always been stored indoors during winters. Now offered for sale by its second owner.
