DESCRIPTION OF DUFOUR 365 GRAND LARGE

The Dufour 365 GL is a fun and easy boat to steer, thanks to her agile and responsive steering giving great feedback in all wind condition.
All control lines are led to the cockpit supported by 4 Harken winches and a self taking rail for the genoa.
You can see the attention to the building quality, thanks to the solid stainless steel rudder shafts, the heavily laminated internal support grids, giving the boat structural stiffness and durability.
With a spacious cockpit for a 36-foot boat and a removable aft seat the swim platform is easily accessible.

The boat comes with a two-cabin layout, maximizing the interior volume with vertical hull sides and a straight-line galley on the port side, equipped with a large worktops space.
The saloon is wide, surrounded by fine mahogany woodwork inviting guest in a comfortable U-shaped dining. The are a proper chart table on the starboard side next to the saloon and a large bathroom on portside, with a dedicated space for shower and toilet.

Now sold by its second owner, new sails and Raymarine instruments, among other updates, came in the last two years.
