## DESCRIPTION OF SWEDEN YACHTS 45

---

It is with great pride and pleasure that Båtagent presents this fine boat—incidentally, the second Sweden Yachts vessel we are brokering for the current owner.

The text below is taken from the Sweden Yachts website:

Whenever Sweden Yachts designed a yacht, they always strived to achieve the best possible sailing characteristics for a boat of that particular size. In this way, the Sweden Yachts 45 carried on and embellished the proud heritage of Sweden Yachts.

Every detail, from the shape of the hull to the design of the rig, works together as a harmonious whole, creating an unmatched yacht for serious sailing. Sail and rig handling have been simplified to minimise effort and add more pleasure to the whole sailing experience.

The cockpit is ergonomically designed, giving the helmsman a relaxed, well-balanced environment even under really tough conditions in open sea, hard weather sailing. The interior layout of the Sweden Yachts 45 is both practical and spacious. The standard layout provides three double berths along with a comfortable dining area, generous galley, navigation table and two shower rooms.

The deck has been kept as clear as possible without compromising any sailing or safety components.

Please refer to the attached, up-to-date lists regarding equipment and specifications; however, the information on the equipment list has been provided by the boat's owner. Båtagent has not had the opportunity to verify the equipment item by item; while the information is expected to be accurate, Båtagent cannot guarantee it.

The right of free choice applies, meaning the seller reserves the right to choose the buyer regardless of the bids received.

Sold through Båtagent.
