DESCRIPTION OF MERIDIAN 391SB SEDAN

Introducing the 2007 Meridian 391 Sedan, a stunning flybridge vessel that combines elegance with performance. With an overall length of 42 feet, this boat is designed for both comfort and functionality. Crafted from durable fiberglass, it promises longevity and a smooth ride on the water. Powered by twin Cummins inboard engines, each delivering an impressive 425 horsepower, this yacht ensures robust performance with 1090 and 1116 hours of operation, respectively. The vessel features two well-appointed cabins and two heads, providing ample space for relaxation and privacy. Whether you're entertaining guests or enjoying a peaceful day on the water, the Meridian 391 Sedan is equipped to enhance your boating experience. Its thoughtful design and powerful engines make it a perfect choice for those seeking adventure and luxury on the open seas. Experience the perfect blend of style and performance with this exceptional yacht.
