DESCRIPTION OF BENETEAU OCEANIS 343

A stylish, comfortable and genuinely spacious sailing yacht, typical of French builder Beneteau. The Oceanis 343 combines modern design with timeless elegance – no wonder this model is so highly sought after.

The boat is also equipped with a shallow-draft keel, opening up great opportunities to explore new routes and destinations.

The interior is spacious and bright, with plenty of natural light and hull windows.

The saloon features a large folding table, comfortably accommodating even a larger group.

A well-equipped L-shaped galley is located to port and includes, among other things, a large refrigerator.

The navigation station is located to starboard.

Forward is a spacious cabin with a double berth, lockers and storage space.

Aft to port is a particularly spacious and bright cabin with a wide double berth.

To starboard is the head with a shower area.

The Oceanis 343 has a spacious cockpit with long, comfortable seats and a folding table.

The aft seat can be opened to provide easy access to the bathing platform as well as passage to the dock.

A convenient bimini over the cockpit provides protection from both sun and rain when needed.

The deck layout is designed for easy and safe sailing, even with a small crew.

This Oceanis 343 is in good condition, with no significant damages and has never been used for charter.

The boat is available for viewing in Ekenäs / Tammisaari - Finland.
