DESCRIPTION OF LUFFE 44

Here you will find a well-maintained and updated example of Luffe 44 from the legendary Luffe Yachts, which for more than 50 years has developed sleek, beautiful sailboats. Luffe 44 is the second in a series of boat designs throughout the shipyard's more than 50 years of history. The boat has only had 2 owners, who have both looked after and cared for the boat and continuously kept it updated.

The boat appears, considering its age, in well-maintained condition and where, among other things, the teak deck, engine and mast have been replaced over the years.

The accommodation is made of matt lacquered mahogany veneer. Interior layout with aft berth, a well-arranged pantry and spacious saloon, as well as a toilet and enclosed cabin with a double berth in the bow.

The boat has a tiller, which, in addition to optimal feeling under sail, also contributes to a well-arranged and spacious cockpit.

As can be seen from the attached equipment list, the boat is continuously updated.

A boat with an emphasis on great sailing pleasure and simple handling, ready for new adventures with a new owner
