DESCRIPTION OF MERRY FISCHER 805

Looking for a reliable, spacious and seaworthy cabin boat that extends the boating season from early spring to late autumn? Here is your opportunity to acquire a well-equipped Jeanneau Merry Fisher 805.
The model is renowned for its smart use of space, stable handling in rough conditions and excellent onboard comfort. This particular boat is exceptionally well equipped for both serious fishing and cruising in the archipelago, regardless of visibility or weather conditions.
The boat features professional-grade electronics for navigation and fishing. With the radar, you can navigate safely through fog and darkness. The advanced side-scan sonar provides detailed images of the seabed structure and fish alongside the boat — a dream for the discerning sport fisherman or anyone who wants excellent visibility and awareness when anchoring in natural harbours.
Comfort and Layout
The Merry Fisher 805 offers excellent onboard accommodation and comfort. The bright and spacious saloon features a well-designed helm station, a generous dinette that can be converted into sleeping berths, and a practical galley equipped with a stove, refrigerator and ample storage.
Forward cabin:
Double berth with generous storage space.
Separate WC:
Separate toilet compartment with washbasin.
Aft deck:
A large, deep and secure aft deck — perfect for fishing, socialising all year round or enjoying sunny breakfasts. A sturdy bathing platform provides easy access to the water and is also ideal for handling lobster pots.
