

Bavaria 32 Cruiser, 2010

Location: Skærbæk

Price: 575 000 DKK. (841 299 SEK/76 983 €/325 968 PLN)

The popular Bavaria 32 Cruiser has been developed in collaboration between Bruce Farr Yacht Design and BMW Design Group. A collaboration that has resulted in an extremely well-sailing and at the same time very spacious 32 foot boat with many rethought interior details that make optimal use of the boat's hull volume.

DESCRIPTION OF BAVARIA 32 CRUISER

The boat's layout is laid out as a 2-cabin version with a large aft cabin with double berth to starboard for the stairs as well as a spacious toilet/shower compartment on the port side. Spacious salon with bunks and saloon table and efficient L-shaped pantry with gas stove/oven and large fridge. At the front of the boat a spacious enclosed cabin with double berth. The boat is also optimally utilized in terms of stowage space.

The boat is easy to handle thanks to the modern simple rig with wide rear-facing spreaders, North Sail's 3DI Nordac furling jib and in mast furling mainsail. During port maneuvers, the handling is supported by the efficient Volvo Penta diesel engine equipped with Flex-O-Fold folding propeller as well as an equally efficient bow thruster.

This Bavaria 32 Cruiser is extremely well equipped, and quite an amount of money has been invested in new equipment in 2021/22, including new sails, new sprayhood, new electric windlass, 4 new batteries, new Raymarine chartplotter. In addition, see detailed equipment list attached to this advertisement.

The boat is in Denmark rigged and ready for quick handover to new owners. Contact responsible broker Lars Legarth for further information and for an agreement on showing the boat.
