DESCRIPTION OF BENETEAU FIRST 31.7

Beneteau First 31.7 2003

Beneteau's First 31.7 is a quite fast, but also comfortable boat that is very well suited for racing.

The boat has fine UK Sails tape drive sails, both mainsail and genoa. The mainsail is stored in a newer Lazypack. The genoa is furled on the forecastle. The next one Managing the sails couldn't be easier.

Below deck, there is good comfort for the family. A fine pantry with an oven and 2 gas burners, as well as a fridge. There is also hot water.

There is a toilet with a holding tank as well as a shower and space for wet sailing clothes.

Midships there are two sofas, as well as a chart table with navigator and VHF.

In the forward cabin there is a double berth with extra mattresses and cupboard space.

In the aft cabin there is also a double berth and cupboard.

On not-so-warm evenings, you can heat up with an Eberspächer diesel heater.

In the cockpit there is also plenty of space to handle the boat under sail and in port.

All in all, sailing characteristics and comfort are top and in good and well-maintained condition.

Data:

Length : 9,61 metres

Length waterline : 8,80 meters
