DESCRIPTION OF JEANNEAU SUN ODESSEY 33I

Jeanneau Sun Odyssey 33i in excellent condition, sold by the first owner.

A handy, nice and stylish boat for a smaller family or a couple.

Sun Odessey 33i is a bright and modern boat that still has plenty of wooden surfaces to give a cosy feeling. It has a very spacious aft cabin with a large berth where a couple sleeps comfortably or several children. The fresh saloon is spacious and the entire crew fits perfectly there around the table. The boat has a well-planned pantry and a surprisingly spacious toilet with shower possibility. In addition, there is a movable navigation table that also works great as an "on-board office".

The cockpit is spacious with a large table and folding steering wheel for easier passage.

Everything is well planned for lovely sailing trips and a comfortable life on board!

The boat has no grounding and is now in winterstorage in a warm hall in Inkoo, 1 hour west from Helsinki.
