DESCRIPTION OF JEANNEAU SUN ODYSSEY 469

Jeanneau has created a bright and modern boat that still has a lot of wooden surfaces to create a cosy feeling.

The boat has 3 large cabins and a very spacious and comfortable salon where a few can sleep if necessary. In addition, there is a large, practical and well-equipped kitchenette as well as 2 toilets with shower.

The cockpit also accommodates a larger crew and the twin wheels make life easier in the cockpit as well as during sailing.

The boat is equipped for real sailing but can also be handled by a smaller crew thanks to the handy self-sheeting ST-jib.

This 469 is in excellent condition and very well equipped with high quality brands.

The boat is sold by the second owner and has never been in charter use.
