DESCRIPTION OF BENETEAU OCEANIS 343 CLIPPER

The width and height of the salon create a spacious feeling and the cabins are surprisingly large as well. In addition, there is a practical toilet with shower and plenty of storage space everywhere. Large and numerous windows and hatches bring light and atmosphere inside.

The boat is easy and safe to sail also for a smaller crew.

At sea, furling mainsail and of course furling genoa simplify sailing a lot. And port maneuvers are much easier thanks to the powerful bow thruster.

The boat is perfect for a family or couple who sometimes takes friends with them out sailing.

The first owner sells and the boat is in great condition!
