## DESCRIPTION OF HALLBERG-RASSY HR-37

---

Hallberg-Rassy 37 from 2006, hull number 81. 200 numbers were built from 2003 to 2012. The HR-37 is today a highly coveted boat on the aftermarket.

The great popularity is not least due to the Hallberg-Rassy highly respected brand, and the unrivalled quality that permeates all the boat models. The HR-37 is another great example of a modern Hallberg-Rassy design is the renowned Argentine designer Germán Frers, where good and stable sailing performance come together, along with a good and safe center cockpit and a well-utilized interior design, with good comfort, and unobstructed passage for from one end of the boat to the other. A boat that invites long stays on board.

The fiberglass hull, teak deck and accommodation all appear nice and well maintained and give the impression of a boat that has been looked after and cared for by the same owner throughout all years.

The boat is spacious and well-designed below deck. Good for cabin with toilet and shower and a spacious salon with large salon table. Well designed pantry with oven and fridge. Large navigation table with direct access to spacious and private aft cabin. In addition, a very large and accessible engine room.

The boat's safe sailing performance are supported by easy handling, thanks to a strong and efficient engine supported by a bow propeller, as well as a simple sail handling by infurling mainsail with vertical batten and a furling genoa.

A well-maintained HR-37 to be experienced. The boat is ready for new adventures with a new owner.

Vat paid within EU.
