Bavaria 30 Cruiser, 2006

Location: **Kungsör**
Price: **445 000 SEK (40 719 €/304 142 DKK/172 418 PLN)**

Bavaria 30, den minsta av de Bayerska snilledragen från J&Js ritbord. Så mycket innehåll i ett trevligt kompakt format. Bra boende med fin komfort och bra segling. Möjligt? Absolut i denna fina båt från 2006.

DESCRIPTION OF BAVARIA 30 CRUISER

The Bavaria 30 Cruiser belongs to the generation of Bavaria that in many ways offers all the necessary characteristics of an excellent modern family sailing boat. Spacious, reliable, well contained and efficiently produced to get as much as possible from every penny. Surveys have shown that Bavarias from this era are very efficient and successful among customers. The interior makes you wonder, how can a 30-footer be that spacious and have such a clever design inside?

The sailing characteristics are surprisingly good and all equipment on board is in a good condition. This boat is ready for the next season and amazing trips along the archipelago. A large furling genoa, a good Volvo Penta engine and the easy to handle steering wheel ensure a safe and comfortable trip, as well as a good propulsion both under sail and with the engine. The boat has been well cared for by its owner and is currently in good condition.
