DESCRIPTION OF DUFOUR 41 CLASSIC

If you are looking for a sturdy family boat with high quality, this well-maintained and updated Dufour Classic 41 fits your needs perfectly. Great sailing qualities and a very comfortable accommodation for the whole family or many friends. The boat has a good-sized saloon with room for the whole crew for a nice dinner or get-together. The galley alongside has a lot of storage room, a large cool box, a stove with oven and double burners. At the stern there are two nice cabins that can accommodate two adults. In the bow you will find another nice cabin with a double berth. The whole boat has good storage room with lockers and wardrobes and two toilets.

Above deck there is a lovely cockpit behind a substantial new sprayhood. The well-maintained teak deck is easy to move around on while on board. The powerful engine makes transporting when the winds are strong a comfortable journey. Its current owner has taken care of the boat well and updated it over the years. With its classic design, the boat will be amazing to own and sail. A boat that invites for longer stays on board and visits to new ports.
