## DESCRIPTION OF HALLBERG RASSY 342

---

The Hallberg-Rassy 342 is the successor to the successful HR 34 and 329 have been produced since 2005. This model is number 36. On the high seas, the HR342 is a robust cruiser that is easy to handle and great fun to sail. The boat is excellent for both relaxed lounging in the harbour and rough seas. The design is classic and timeless. Overall, the HR 342 is a beautiful sailing boat.

On board there are two separate cabins, one at the bow and one at the stern. In between is a saloon with two sofas and a folding table. There is also an L-shaped galley with double hooks and a navigation table on the opposite side. The toilet with shower, located directly behind the navigation table, is bright and spacious.

This example is now being sold by its first and only owner who has looked after the boat in an exemplary manner.
