DESCRIPTION OF X-YACHTS 40

X-Yachts is one of the world's strongest sailing yacht brands. It has managed to reach a wide category of sailboats, whether you are looking for a racing boat, a family cruiser or a long-distance sailor. Excellent sailing boats, high quality, and timeless lines characterize this strong Danish brand. With this popular well-equipped X-40 you have it all. This model is a 3-cabin version with a lovely large bow with lots of room for socializing and storage areas. There is also a traditional saloon with large dining table for the whole crew. The galley on the starboard side at the lower entrance is nice and cosy and on the port side you will find a large hub table. There are two aft cabins with seating for two people each. Practical cockpit with good visibility and plenty of room for the whole crew. The elegant teak interior and lovely vacuum-cleaned teak deck make this boat look very elegant. In the last 3 years this boat was taken care of in a professional manner and stored indoors.
