DESCRIPTION OF JEANNEAU SUN ODYSSEY 469

Normally, chartered sailboats are known to be in poor condition due to hard wear and tear over the years, but not in this case. The Jeanneau Sun Odyssey 469 is quite the opposite, regularly updated and well maintained. Two brand new sails from 2020 and a well serviced engine, this vessel has many more fantastic years ahead of her.

Below deck you will find 4 nice cabins and 4 heads with shower cabins and sinks in every single one. Bedding and complete kitchenware are included.

If you wish to turn the forepeak of the vessel into a large captain's cabin, this can easily be done, and the panel dividing the forward section of the boat can easily be removed. Furthermore, you will find an invitingly large lounge with a long galley, you could fit 10 people into the lounge without any problems. The large table allows for lovely dining and socializing.

Even though the Jeanneau 469 is a rather big sailboat, she is very easy to sail with as little as two people. There are double steering wheels for optimal visibility.

Both a sprayhood, as well as a Bimini, protect you from anything the open sea throws at you, may it be sun or rain.

A magnificent example of a well-maintained boat is now awaiting her new owners.

Facts:
