DESCRIPTION OF BENETEAU OCEANIS CLIPPER 393

Beneteau Oceanis Clipper 393 is a well-planned and spacious holiday sailor with three double cabins, double toilets with shower in both, and a large lounge with space for the entire crew. Proper ceiling height and many light inlets make the boat homely. A nice boat with space for the whole family.

In 2018, a lot of updates were made to the boat. New mainsail, genoa and gennaker were procured, the cockpit tent was replaced and plotters, wind instruments and autopilot were renewed / updated.

The boat is well maintained and ready for new adventures with its new owner.
