DESCRIPTION OF FINNGULF 41 / 411

Finngulf 41/411 – 2009

The Finngulf 41 is equally at home in a comfortable marina berth as she is on long offshore passages. Hand crafted with traditional joinery is combined with sleek, modern lines to create this timeless “Solid Performance Cruiser”.
No wonder Finngulf Yachts is among the Finnish Top Brands and their slogan is - “100% Sailing”!

This Finngulf 411 is designed with ease of short-handed manoeuvring in mind, much appreciated by shorthand sailors like smaller family crews or even solo sailors!
The self-tacking jib and simple layout let you enjoy sailing in the easy way instead of struggling with the genoa....or going by engine.

This Finngulf 411 has an open transom, a unique and open interior design with a huge storage cabin, a bow spirit with an open pulpit for easy access and other smart solutions you don’t find in many other boats.
The boat is in mint condition and professionally maintained, always kept in warm winter storage.
