## DESCRIPTION OF HALLBERG RASSY 31

---

The Monsun is a classic from Hallberg Rassy. This one has a number of updates among which a new engine from 2007 with only 342 hours on the clock, bowsprit with platform, GTI seats and backstay tensioner.

Present owner has further updated the boat with a cabin heater and by modernising the main cabin with white painted bulkheads, new upholstery and LED lighting without compromising the classic looks.

The Hallberg Rassy 31 Monsun was produced between 1974 and 1982 and a total of 904 of them were delivered. This makes this model the top selling Hallberg Rassy of all times. This boat is no 265 in the line.

A Monsun sails well under all conditions, she can get into almost anywhere and a number of Monsuns have been around the globe.

If you are new to sailing, with this boat you will have a faithful companion whether it is for daysailing, family sailing or as mentioned for long distance cruising. A safe boat to sail and on top of all this, you get the famous Hallberg Rassy quality build and a boat that suits the eye.

This model is well taken care of, but she will require a new set of sails soon and some maintenance to the teak in the cockpit.
