

# X-Yachts 482, 2002

Location: Haderslev, Danmark

Price: 2 050 000 SEK (187 249 €/1 398 501 DKK/796 978 PLN)

A beautiful X-482 with a unique history of very little time spent in the water. For a large part of her life, she has only been in the water for 6 weeks every other year, and only sailed in the Baltic.

## DESCRIPTION OF X-YACHTS 482

---

With the X-482 Nils Jeppesen made a fantastic yacht based on the success he had made with the X-612 and the X-442. "Oxygen II" is a beautiful yacht, a real eyecatcher. Ideal for the small crew with her two electric winches and retractable bow-thruster, while at the same time great fun to race for a competing crew. It is a safe and fast yacht with everything designed for optimal handling – cruising or racing. This yacht has been very little used which really shows. Everything looks nice and in mint condition. Both first and the current, second, owner has taken very good care of her. The boat is still on land (inside) but is ready to be put back in the water on short notice for a new owner.

This version is the "modern version" with a big saloon, two aft cabins (3 berths each) and a generous owners cabin up front with its own bathroom. The yacht has a large longitudinal galley, with ample space and utilities for the serious chef. Included in the galley is a stove with three burners and an oven, a refrigerator and an additional ice box.

This beautiful dark blue X-482 is now for sale.

Data:

LOA: 14.50 m

LWL: 12.50 m

Bmax: 4.31 m

Draft: 2.50 m

Displacement: 15.770 kg
